NOTE

SOC GEN 134: Food & Health in Global Perspective taught by Professor Kim was formerly offered as SOC GEN 180. Students who have already taken her SOC GEN 180 will not receive credit for SOC GEN 134.

SOC GEN 165: Introduction to Bioethics and SOC GEN 164: Ethics in Health and Research taught by Professor Le Goff was formerly offered as SOC GEN 180. Students who have already taken her SOC GEN 180 will not receive credit for SOC GEN 164 or 165.

SOC GEN M144: Stress and Society: Biology and Inequality is cross-listed with Sociology M144. The course was formerly offered under SOC GEN 180: Physiology, Inequality, and Biology of Stress during Winter 2016.
