

APPLICATION for SOCIETY AND GENETICS MINOR

Due: 3:00PM Friday, October 20, 2017

ONLY CLASS OF 2019 MAY APPLY DURING FALL 2017

*Incoming transfer students and continuing Juniors from both B.A. and B.S. backgrounds are welcome to apply

- Cumulative GPA of 2.50 is required for application.
- Total of seven courses and minimum of 30 units required for completion of minor.
- At least 20 units for the SOC GEN minor program must not be shared with any other major or minor.
- Each minor course must be taken for a letter grade of "C-" or better.
- Applicants will be notified of decisions via email before Winter quarter enrollment begins.
- NOTE: If you have over 150 completed units or will exceed the unit max, you must receive approval from the College to add the minor. Students accepted to the SOC GEN minor must enroll in SOC GEN 101 for Winter 2018 (unless LS 4 is taken) and 102 for Spring 2018

For further information about the minor, visit <http://socgen.ucla.edu/academics/undergraduate/minor/>

To complete your application, EMAIL the following two items to advising@socgen.ucla.edu, and Student Affairs Officer, Cyndi Tando, will confirm that your application is received and complete.

- 1) This application form
- 2) Your UCLA Degree Audit Report (access via MyUCLA)

Name (Last, First)	
University ID	
Email	
Major (s)	
Number of courses remaining in major (s) (including pre-major courses) after Fall 17	
Degree Expected Term	Spring 2019
Cumulative GPA Incoming transfers without UCLA GPA can write "Transfer" for cumulative GPA	

Personal Statement Prompt:

Please explain why you would like to pursue the Society and Genetics minor. What is it about this minor that appeals to you intellectually?

Response (textbox limit=200 words):
